Thank you for your interest in joining the Clarendon Community Association (CCA).

Debit order form

You will find the debit order authorisation form alongside this letter. This is the preferred option of payment to avoid any potential oversight with an EFT option (see the CCA bank details below for EFT option) and it also reduces the associated administrative challenges. Should you choose the debit order option, please complete the form; scan it and email it to pamread@futurenet.co.za. This will then be forwarded on to the CCA treasurer, Dylan, for processing.

Chat groups

We have a Telegram Clarendon chat group for general information as well as a security group, both of which are for paying CCA members only. Once you have become a member, you will be added to both of these groups.

This association functions entirely from the funds received from its paying members. Should you require any further information not found in this letter or on the website, please don't hesitate to contact us via the website and remember to provide a phone number and email address which we can use to make contact.

The CCA, formed in October 2007, represents the area above Roberts Road Bridge; from Tanner Road in the north; Timberline in the south and everything in-between.

The CCA has tackled and continues to work on a number of initiatives striving to make Clarendon a safe, secure and well maintained neighbourhood.

1. **Fencing:** Access points that were previously accessible by criminals have been fenced off.
2. **Security:** A dedicated Magma vehicle has been entrenched and contracted to patrol Clarendon 24/7/365 since the commencement of the security initiative in June 2016. We are happy to also welcome Mi7, who have committed vehicles to monitor our neighbourhood, as well as installing NAVIC cameras that will support the current SNIPR cameras. The neighbourhood is also patrolled by AET, and all security teams respond to alerts on the Clarendon security groups. Ideally, it is recommended if residents are requiring home

security, to sign up with either Magma, Mi7 or AET in order to enjoy the full security benefits and reduce response times by the local patrol vehicles in the event of an emergency. Should you decide to contract with Magma, Mi7 or AET, monthly CCA subscriptions are reduced from R200 p.m. to R50 p.m.

3. **Cameras:** Mi7 NAVIC cameras monitor all vehicles entering and exiting the neighbourhood. Thermal and motion sensor cameras have been strategically installed to monitor vulnerable areas, highlighting any movement of criminals in the area.
4. **Neighbourhood Patrol:** Two response teams are on standby and ready to shut down the neighbourhood ingress and egress points at a moment's notice. Should you wish to join the team, and we encourage every able body to do so, please contact Dion on 081 750 1462.
5. **Telegram:** Chat and security groups have been established and are restricted to the contributing membership of the CCA. Contact Pam Read on 078 207 9720.
6. **Streetlights:** Monthly reports detailing faulty streetlights are compiled and submitted to the municipality and ward councillor.
7. **Potholes:** Pothole repairs and speed bump erection have been funded by the CCA.
8. **Common areas:** The common gardens and open areas are tended by CCA financed staff, ensuring a clean and aesthetically pleasing neighbourhood.
9. **Community Policing Forum:** A member of the CCA is on the Executive of the Community Policing Forum (CPF) and useful information is gained from monthly meetings with SAPS where concerns of residents are also raised.

There is no doubt that in our current circumstances, as residents we need to be vigilant in fighting crime and proactive in looking after our neighbourhood and investments. We therefore appeal for your participation, as the functions of the association are only possible due to the contributing membership and a very committed CCA Committee.

Monthly association fees are R200 p.m. should you wish to become a member please contact Pam Read on 078 207 9720 or pamread@futurenet.co.za. Reduced subscriptions apply if contracted to Magma, AET or Mi7.

If we all give a little, we can do a lot!
